Modern - Contemporary – High Quality*

Westeck is a premier manufacturer of windows and doors. Westeck manufactures both North American and European products locally. We proudly display our windows and doors in Westeck showrooms across Washington and British Columbia. As each window and door is built to order; our customers have the freedom to design and create a product that is unique and personal. Enjoy our latest line of Deco Doors designed to enhance modern and contemporary architecture.

We believe that your front door should be not only functional, but also beautiful and inviting. The following Art Deco-inspired door collection provides the perfect balance between function and modern aesthetics.
