Exterior Door Collection

Wood door
Decorative - Discreet - High quality

Westeck is a premier manufacturer of windows and doors. All major North American and European windows and doors are locally manufactured and proudly displayed in seven well-appointed showrooms including Kelowna, Victoria, Vancouver, Chilliwack, Nanaimo, Calgary AB and our NEW Showroom in Seattle, Washington! As each window and door is built to order, our customers have the freedom to design and create a product that is unique and personal. Enjoy our latest line of doors designed to enhance modern and contemporary architecture.

We believe that your front door should be beautiful and inviting.

The following combination of wood, stainless steel and glass turn a front door into a piece of art that invokes admiration.

ELITE WOOD Door Cross Section

Doors are built from thick veneered LVL core stile. LVL core material has greater dimensional stability than OSB components.

This virtually eliminates cupping and bowing while keeping the stile and rails uniformly straight, flat and true.
